If you or your adult family members are enrolled in a UMR health plan, are at risk for type 2 diabetes or heart disease or are living with diabetes or high blood pressure, and are eligible for the Omada program, membership is covered by LII.

*Omada for Diabetes or Hypertension is available at no cost when covered by your employer or health plan. Certain connected devices provided by Omada as a part of an Omada program are only available to members who meet certain program and clinical eligibility. CGMs are only available with the Omada for Diabetes program and only available to members within this program who receive a prescription and have a compatible smartphone. Eligible members will receive two (2) CGM sensors - one CGM is to wear upon enrollment, the other CGM is for a six-month follow-up.
