- Be actively at work.
- Apply for the insurance, if you have to pay any part of the premium.
- Give to ReliaStar Life proof of good health, which it approves, as required on the Schedule of Benefits.

Effective Date of Employee's Insurance

Your insurance starts on the latest of the following dates:

- The date you become eligible.
- The date you return to active work if you are not actively at work on the date insurance would otherwise start. **Exception:** Your insurance starts on a nonworking day if you were actively at work on your last scheduled working day before the nonworking day.

- You are eligible for insurance except for meeting the actively at work requirement on the Group Policy's Effective Date.
- You were covered under the Policyholder's prior group life insurance plan on the day before the Group Policy's Effective Date.

Before you return to active work, the benefit amounts and limits will be the same as the benefits under the prior group policy. ReliaStar Life reduces the amount it pays by any benefits still payable under the prior group policy. Your insurance will stop on the date coverage would have ended under the prior plan had it remained in force.

If you return to active work, ReliaStar Life pays benefits according to the Schedule of Benefits and other provisions of your certificate.

Effective Date of Change in Amount of Insurance

If there is an increase in the amount of your insurance, the increase will take effect on:

- The date of the increase, if you are actively at work on that date.

Your coverage will remain in force so long as you continue to meet the requirements as set forth in the FMLA.

Continuation of Insurance

If you are no longer eligible for insurance because you stop active work, the Policyholder may continue your insurance. Premiums must be paid. Your continuation of insurance is subject to all other terms of the Group Policy. The length of time your insurance continues depends on the reason you stop active work.

If the spouse carrying the Dependent's Insurance stops being insured as an employee, the other spouse may become insured for Dependent's Insurance by applying within 31 days.

Any person eligible for insurance as an employee under the Group Policy is not considered an eligible dependent for Dependent's Insurance.

Your dependent's insurance starts on the latest of the following dates:

- The date you become eligible for Dependent's Insurance.

- The date your insured dependent is no longer a dependent as defined.

ReliaStar Life stops providing a specific benefit under your dependent's insurance on the date that benefit is no longer provided under the Group Policy.

Family and Medical Leave Act of 1993

If your coverage remains in force due to a certified leave under the FMLA, then your dependents' coverage will also remain in force so long as you continue to meet the requirements as set forth in the FMLA.

DEPENDENT'S INSURANCE

Continuation of Insurance

Your insured dependent's insurance may be continued. Premiums must be paid. Your insured dependent's insurance stops at the end of the period for which the last premium was paid if the next premium is not paid on time. Your insured dependent's continuation is subject to all other terms of the Group Policy.

You Stop Active Work

If you stop active work and your insurance is being continued, your dependent's insurance will also be continued as shown in the Employee's Insurance part of this certificate.

Handicapped Dependent Child

If your insured dependent child is physically handicapped or mentally retarded and reaches the maximum age for Dependent's Insurance, you may continue this child's insurance as long as all required premiums are paid. You must give ReliaStar Life proof that:

- The child is handicapped and not self-supporting.
- The child became handicapped before reaching the maximum age for Dependent's Insurance.
- The child is dependent on you for support.

Proof must be given within 31 days after the date the child reaches the maximum age for insurance.

Before granting a continuation of this child's insurance, ReliaStar Life may require that a doctor examine the child. ReliaStar Life will specify the doctor and pay the fee for all exams ReliaStar Life requires. During the 2 years after the child reaches the maximum age, ReliaStar Life may ask for regular proof of the child's continued handicap. After the 2 year period, ReliaStar Life will not ask for proof, including doctor's exams, more often than once a year.

This handicapped child's continuation stops on the **earliest** of the following dates:

- The date the child becomes covered under any other group plan.
- The date the child is no longer handicapped.
- The date you do not give ReliaStar Life proof of the child's handicap when requested.
- The end of the period for which you paid premiums for this continuation, if you do not make the next required premium contribution when due.
- The date your Dependent's Insurance would otherwise stop under the Group Policy.

The Conversion Right will be available to your insured dependent child when all continuation is exhausted.

LIFE INSURANCE

Employee's Life Insurance

ReliaStar Life pays a death benefit to your beneficiary if written proof is received that you have died while this insurance is in force. The death benefit is the amount of Life Insurance for your class shown on the Schedule of Benefits in effect on the date of your death.

ReliaStar Life pays the death benefit for all causes of death. However, for Supplemental Life Insurance, if you commit suicide, while sane or insane, within 2 years of the date your insurance starts, ReliaStar Life will refund the amount of premiums paid for your Supplemental Life Insurance under the Group Policy instead of paying a death benefit.

Beneficiary

The beneficiary is named to receive the proceeds to be paid at your death. You may name more than one beneficiary. The Policyholder cannot be the beneficiary.

You may name, add or change beneficiaries by written request as described below. You may also choose to name a beneficiary that you cannot change without his or her consent. This is an irrevocable beneficiary.

You may name, add or change beneficiaries by written request if all of the following conditions are met:

- Your coverage is in force.
- ReliaStar Life has written consent of all irrevocable beneficiaries.
- You have not assigned the ownership of your insurance. The rights of an assignee are described in the Assignment section.

All requests are subject to the approval of ReliaStar Life. A change will take effect as of the date it is signed but will not affect any payment ReliaStar Life makes or action it takes before receiving your notice.

Payment of Proceeds

ReliaStar Life pays proceeds to the beneficiary. If there is more than one beneficiary, each receives an equal share, unless you have requested otherwise, in writing. To receive proceeds, a beneficiary must be living on the earlier of the following dates:

- The date ReliaStar Life receives proof of your death.
- The tenth day after your death.

If there is no eligible beneficiary or if you did not name one, ReliaStar Life pays the proceeds in the following order:

1. Your spouse.
2. Your natural and adopted children.
3. Your parents.
4. Your estate.

The person must be living on the tenth day after your death.

Settlement Options

Settlement options are alternative ways of paying the proceeds under the Group Policy. Proceeds is the amount of each benefit ReliaStar Life pays when you die or when you receive a lump sum amount under the Accelerated Death Benefit. To find out more about settlement options, please contact the Policyholder.

Accelerated Death Benefit

ReliaStar Life pays this benefit if it has been determined that you have a terminal condition. Accelerated Death Benefit proceeds is the amount ReliaStar Life pays to you or your legal representative while you are living when it has been determined that you have a terminal condition. The Accelerated Death Benefit proceeds are paid in one lump sum and are paid only once. This lump sum payout is the only Settlement Option available to you prior to your death.

The Accelerated Death Benefit is the amount of the Accelerated Death Benefit shown on the Schedule of Benefits in effect on the date you apply for Accelerated Death Benefit proceeds. You will not be able to increase your contributory Life Insurance benefit after the time you apply for the Accelerated Death Benefit, unless you are determined to be ineligible to receive Accelerated Death Benefit proceeds.

LIFE INSURANCE

To receive the Accelerated Death Benefit, **all** of the following conditions must be met. You must:

- request this benefit in writing while you are living. If you are unable to request this benefit yourself, your legal representative may request it for you.
- be insured as an employee for Life Insurance benefits.
- have Life Insurance benefits of at least \$10,000 as shown on the Schedule of Benefits.
- provide to ReliaStar Life a doctor's statement which gives the diagnosis of your medical condition; and states that because of the nature and severity of such condition, your life expectancy is no more than 6 months. ReliaStar Life may require that you be examined by a doctor of its choosing. If ReliaStar Life requires this, ReliaStar Life pays for the exam. If there are conflicting doctors' opinions, the matter is referred to our Medical Director. If you are dissatisfied with the decision, you may appeal under applicable federal or state law.
- provide to ReliaStar Life written consent from any irrevocable beneficiary, assignee, and, in community property states, from your spouse.

Benefit Payment

ReliaStar Life pays the Accelerated Death Benefit proceeds to you unless both of the following are true:

- It is shown, to the satisfaction of ReliaStar Life, that you are physically and mentally incapable of receiving and cashing the lump sum payment.
- A representative appointed by the courts to act on your behalf does not make a claim for the payment.

If ReliaStar Life does not pay you because the two above conditions apply, payments instead will be made to one of the following:

- A person who takes care of you.
- An institution that takes care of you.
- Any other person ReliaStar Life considers entitled to receive the payments as your trustee.

Accelerated Death Benefit Exclusions

ReliaStar Life does not pay benefits for a terminal condition if either of the following apply:

- the required Accelerated Death Benefit premium or Life Insurance premium is due and unpaid.
- the terminal condition is directly or indirectly caused by attempted suicide or intentionally self-inflicted injury, whether sane or insane.

Effects on Coverage

When ReliaStar Life pays out this benefit, your coverage is affected in the following ways:

- Your total available Life Insurance benefit equals your amount of Life Insurance shown on the Schedule of Benefits at the time you apply for the Accelerated Death Benefit.
- Your Life Insurance benefit is reduced by the Accelerated Death Benefit proceeds paid out under this provision.
- Your Life Insurance benefit amount which you may convert is reduced by the Accelerated Death Benefit proceeds paid out under this provision.
- You will not be able to increase your Life Insurance benefit after ReliaStar Life approves you to receive the Accelerated Death Benefit.
- Your premium is based upon the Life Insurance benefit amount in force prior to any proceeds paid under this Accelerated Death Benefit provision. Such premium must be paid, unless waived, to keep the Life Insurance coverage in force.
- Your remaining Life Insurance benefit is subject to future age reductions, if any, as shown on the Schedule of Benefits.
- You will not be able to reinstate your coverage to its full amount in the event of a recovery from a terminal condition.
- Your dependents' Life Insurance coverage will be unaffected by Accelerated Death Benefit proceeds paid to you, provided all required premiums are paid.
- Your receipt of Accelerated Death Benefit proceeds does not affect your Accidental Death and Dismemberment Insurance. Thus, if you should die in an accident after receiving Accelerated Death Benefit Proceeds, your Accidental Death and Dismemberment Insurance will be based on your Life

LIFE INSURANCE

Insurance in force prior to the Accelerated Death Benefit payout, provided your premium is not being waived.

Dependent's Life Insurance

ReliaStar Life pays a death benefit in the amount of the Dependent's Life Insurance shown on the Schedule of Benefits. ReliaStar Life pays according to the Schedule of Benefits in effect on the date your insured dependent dies.

ReliaStar Life pays the death benefit for all causes of death. However, if your insured dependent, while sane or insane, commits suicide within 2 years from the date his or her coverage starts, ReliaStar Life will refund the amount of premiums already paid for Dependent Life Insurance instead of paying a death benefit.

ReliaStar Life requires that proof of your insured dependent's death be mailed to ReliaStar Life at its Home Office.

ReliaStar Life pays benefits for your insured dependent's death to you, if you are living on the earlier of the following:

- The date ReliaStar Life receives proof of your insured dependent's death at its Home Office.
- The tenth day after your insured dependent's death.

If you are not living on either of these dates, ReliaStar Life pays the proceeds to the following in the order listed:

1. Your spouse, if living.
2. Your estate.

If your previous coverage included additional benefits such as disability, Accidental Death and Dismemberment Insurance or the Accelerated Death Benefit, the new insurance will not include these benefits.

Amount of Conversion Coverage

If your or your insured dependent's Life Insurance is changed or cancelled because the Group Policy is changed or cancelled, and your Life Insurance under the Group Policy has been in effect for at least 5 years in a row, the amount of the individual policy is limited to the lesser of –

- the amount of your or your insured dependent's Life Insurance which stops, minus the amount of other group insurance for which you or your insured dependent become eligible, within 60 days of the date your or your insured dependent's insurance stops.

CLAIM PROCEDURES

- include information to identify you or your insured dependent, like your name, address and Group Policy number.

GENERAL PROVISIONS

Life Insurance Assignment

You can change the owner of your Life Insurance under the Group Policy by sending ReliaStar Life written notice. This change is an absolute assignment. You cannot make an absolute assignment to the Policyholder. You transfer all your rights and duties as owner to the new owner. The new owner can then make any change the Group Policy allows. A request for an absolute assignment –

- does not change the insurance or the beneficiary.
- applies only if ReliaStar Life receives your notice.
- takes effect from the date signed.
- does not affect any payment ReliaStar Life makes or action ReliaStar Life takes before receiving your notice.

A collateral assignment is not allowed.

ReliaStar Life assumes no responsibility for the validity of any assignment. You are responsible to see that the assignment is legal in your state and that it accomplishes the goals that you intend.

Legal Action

Legal action may not be taken to receive benefits until 60 days after the date proof of loss is submitted according to the requirements of the Group Policy. Legal action must be taken within 3 years after the date proof of loss must be submitted.

If the Policyholder's state requires longer time limits, ReliaStar Life will comply with the state's time limits.

Exam and Autopsy

For AD&D Insurance, when reasonably necessary, ReliaStar Life may have you examined while a claim is pending under the Group Policy. ReliaStar Life pays for the initial exam. ReliaStar Life may have an autopsy made if you die, if not forbidden by state law.

Incontestability

Your and your dependent's insurance has a contestable period starting with the effective date of your insurance and continuing for 2 years while you are living. During that 2 years, ReliaStar Life can contest the validity of your and your dependent's insurance because of inaccurate or false information received relating to your and your insured dependent's insurability. Only statements that are in writing and signed by you or your insured dependent can be used to contest the insurance.

**NOTICE OF PROTECTION PROVIDED BY
CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION**

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association (“the Association”). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers’ care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone’s rights or obligations or the rights or obligations of the Association.

COVERAGE

• **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

• **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

• **Life Insurance, Annuities and Structured Settlement Annuities**

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- **Life Insurance**
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- **Annuities and Structured Settlement Annuities**
 - 80% of the present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed \$250,000

The maximum amount of protection provided by the Association to an individual, for *all* life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

• **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association’s website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual
- Employer and association plans, to the extent they are self-funded or uninsured
- A policy or contract providing any health care benefits under Medicare Part C or Part D
- An annuity issued by an organization that is only licensed to issue charitable gift annuities
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract
- Any policy of reinsurance unless an assumption certificate was issued
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1607.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent. The **CLAIM PROCEDURES** section of your group life insurance certificate is revised to add the following provision:

Benefit Payments

Benefits under the Group Policy are paid when proof of loss is received.

For Life Insurance, benefits payable due to death will be paid within 60 days of the date ReliaStar Life receives proof of death. If payment is made after the first 30 days, ReliaStar Life will include interest from the 30th day until the date of payment. The interest rate will equal the **greater** of the following –

- The monthly average discount rate on 90-day AA asset-backed commercial paper in effect at the federal reserve bank in the ninth federal reserve district on the date proof of death is received.
 - ReliaStar Life's minimum interest rate payable on death claims on the date proof of death is received.
-

The **GENERAL PROVISIONS** section of your group life insurance certificate is revised to add the following provisions:

The Group Policy also has a 2 year contestable period starting from the Effective Date of the Group Policy. After the Group Policy has been in force for 2 years from the Effective Date, ReliaStar Life can not contest the validity of the Group Policy except for nonpayment of premium.

Grace Period

If a premium is not paid by its due date, ReliaStar Life allows 31 days from the due date in which to pay it. ReliaStar Life calls this the grace period. Full payment must be received by the 31st day. If ReliaStar Life receives payment during the grace period, coverage under the Group Policy stays in force. If ReliaStar Life receives written notice of termination during the grace period, premium payment is required for any period that coverage under the Group Policy was in force during the grace period.

Representations Not Warranties

A copy of the Policyholder's application, if any, is attached to the Group Policy. Unless fraudulent, all statements made by the Policyholder or by you are considered representations and not warranties. No statement can be used to void the Group Policy or be used in ReliaStar Life's defense if ReliaStar Life refuses to pay a claim, unless a copy of the statement is furnished to the Policyholder, you or your beneficiary, as applicable.

Misstatement of Age

If your (or your dependent's, if your certificate includes Dependent's Life Insurance) age is misstated, ReliaStar Life adjusts the premium according to the correct age. The amount of insurance provided is not affected.

Conformity with Montana Statutes

The provisions of this certificate conform to the minimum requirements of Montana law and control over any conflicting statutes of any state in which you reside on or after the effective date of your coverage under the Group Policy.

The **CONVERSION RIGHTS** section of your group life insurance certificate for you (and your insured dependents, if your certificate includes Dependent's Life Insurance) is revised as indicated below.

Under **Conditions for Conversion**, the condition related to change, cancellation or termination of the Group Policy is replaced by the following:

- The Group Policy is changed or cancelled, and your Life Insurance under the Group Policy has been in effect for at least 3 years in a row.

The following provision is added:

If you or your insured dependent are not given written notice of this conversion right within 16 days after any part of this insurance stops, you or your insured dependent will have more time to apply and pay the first premium for the individual policy. This additional time period will end 15 days after you or your insured dependent are given written notice of this conversion right. In no event will the additional time period extend for more than 91 days after any part of your Life Insurance or Dependent's Life Insurance stops.

The provision entitled **Amount of Conversion Coverage** is replaced by the following:

Amount of Conversion Coverage

If your or your insured dependent's Life Insurance is changed or cancelled because the Group Policy is changed or cancelled, and your Life Insurance under the Group Policy has been in effect for at least 3 years in a row, the amount of the individual policy is limited to the lesser of –

- \$10,000, or
- the amount of your or your insured dependent's Life Insurance which stops, minus the amount of other group insurance for which you or your insured dependent become eligible within 31 days of the date your or your insured dependent's insurance stops.

If your or your insured dependent's Life Insurance stops for any reason other than the above, the amount of your or your insured dependent's individual policy may be any amount up to the amount of your or your insured dependent's Life Insurance that stopped.

North Dakota Residents: Please read this certificate carefully. If you are not satisfied with it for any reason and no benefits have been paid, you may return it to ReliaStar Life Insurance Company within 20 days after receipt. Any premium you paid will be refunded.

OREGON ACCELERATED BENEFIT SUMMARY

The Group Policy provides an accelerated benefit if the eligible insured is diagnosed with a terminal condition. This provides payment of a percentage of the death benefit otherwise payable, as noted in the certificate, while the insured is living. The accelerated benefit payment reduces the amount of Life Insurance payable at death.

“Terminal condition” means an injury or sickness which is expected to result in the insured’s death within a time period specified in the certificate, and from which there is no reasonable chance of recovery.

The cost of the accelerated benefit is incorporated into the cost of Life Insurance and is not a separately identifiable premium.

Following an accelerated benefit payment, continued premium payment is required in order to keep Life Insurance coverage in force. If the policy provides a Waiver of Life Insurance Premium Disability Benefit and a claim for this benefit has been approved, then no further premium payment is required.

Please refer to the certificate for the provision(s) that relate to this Group Policy.

Receipt of accelerated benefits may be taxable and the insured should seek assistance from a personal tax advisor prior to submitting a claim.

Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits
 - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$500,000 in long-term care insurance benefits
 - o \$500,000 for disability income insurance benefits
 - o \$500,000 in other types of health insurance benefits
- Annuities
 - o \$250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical, and surgical insurance benefits.

NOTE: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

To learn more about the above protections, please visit the Association's website at www.utlifega.org, or contact:

Accidental Death & Dismemberment (AD&D) Insurance

ReliaStar Life pays this benefit if you or your insured dependent lose your or your insured dependent's life, limb or sight due to an accident. All of the following conditions must be met:

- . You or your insured dependent are covered for AD&D Insurance on the date of the accident.
- . Loss occurs within 365 days of the date of the accident.
- . The cause of the loss is not excluded.

All other provisions of the Accidental Death & Dismemberment benefit remain unchanged.

YOU MAY WISH TO OBTAIN ADVICE FROM A TAX PROFESSIONAL OR AN ATTORNEY BEFORE YOU DECIDE TO RECEIVE ACCELERATED BENEFITS.

2. ReliaStar Life pays this benefit if it has been determined that you have a terminal condition. Accelerated Death Benefit proceeds is the amount ReliaStar Life pays to you or your legal representative while you are living when it has been determined that you have a terminal condition. The Accelerated Death Benefit proceeds are paid in one lump sum and are paid only once. This lump sum payout is the only Settlement Option available to you prior to your death.

The Accelerated Death Benefit is the amount of the Accelerated Death Benefit shown on the Schedule of Benefits in effect on the date you apply for Accelerated Death Benefit proceeds. You will not be able to increase your contributory Life Insurance benefit after the time you apply for the Accelerated Death Benefit, unless you are determined to be ineligible to receive Accelerated Death Benefit proceeds.

To receive the Accelerated Death Benefit, **all** of the following conditions must be met. You must:

- request this benefit in writing while you are living. If you are unable to request this benefit yourself, your legal representative may request it for you.
- be insured as an employee for Life Insurance benefits.
- have Life Insurance benefits of at least \$10,000 as shown on the Schedule of Benefits.

2. (Cont.)
 - provide to ReliaStar Life a doctor's statement which gives the diagnosis of your medical condition; and states that because of the nature and severity of such condition, your life expectancy is no more than 24 months. ReliaStar Life may require that you be examined by a doctor of its choosing. If ReliaStar Life requires this, ReliaStar Life pays for the exam. If the second doctor's opinion is in conflict with the first opinion, and cannot be resolved, you have the right to mediation or binding arbitration conducted by a disinterested third party who has no ongoing relationship with either you or ReliaStar Life.
 - provide to ReliaStar Life written consent from any irrevocable beneficiary, assignee, and, in community property states, from your spouse.
3. Accelerated Death Benefit Exclusions
ReliaStar Life does not pay benefits for a terminal condition if the required Accelerated Death Benefit premium or Life Insurance premium is due and unpaid.
4. Definitions
Terminal Condition – an injury or sickness which is expected to result in your death within 24 months and from which there is no reasonable chance of recovery. ReliaStar Life, or a qualified party chosen by ReliaStar Life, will make this determination.

All other provisions of the Accelerated Death Benefit remain unchanged.

- III. **Labor Dispute. If you stop active work because of a labor dispute, you may continue your Life Insurance up to the end of the 6 month period following the date you stop active work. Premiums must be paid.**
- IV. **If your certificate includes a suicide exclusion for the life insurance coverage, it is not applicable to your life insurance coverage.**
- V. **Any reference in your certificate to spouse includes a state-registered domestic partner.**

SUMMARY PLAN DESCRIPTION

STATEMENT OF ERISA RIGHTS

As a participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Office of Participant Assistance, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
